Building and Grounds Minutes December 10, 2020

Opening Prayer-Sue Basye

Roll Call-Dick Nelson, Dean Markwardt, Sue Basye and Mary Quinlin

Unfinished Business

- Building and Ground unanimously approved the removal of two trees on the north side of the rectory. Dick will contact Westaby after Parish Council approval.
- The parking lot garden has been removed at no cost to the parish thanks to Dan and Teresa Peterson.
- As of date we have one estimate for the exterior painting. Dick will continue to follow up for more bids.
- Parish hall and Equipment rental policy is still a draft.
- A new water heater cost is \$1,700. B&G recommends replacement with approval of PC.
- Outdoor sign is not functioning well. Mary will contact the manufacturer.

New Business

- The kitchen refrigerator is broken. The price for a new compressor is \$1,200 and the service calls add an additional \$300. To replace the existing refrigerator with the same kind and quality the cost is \$3500. B&G unanimously recommended purchase of a domestic refrigerator or two. Dick will research and share results.
