

## St. Mary Eldora Stewardship Committee Minutes

St. Mary Stewardship Committee met after 8:00 Mass on Sunday, June 30. Present: Cecilia Penning, Betty Gotto, Carla Neuer, Pat Fuchs and Linda Priske.

Details of the August 25 Appreciation Breakfast were discussed. Dave Higgason has agreed to prepare the pancakes. He will need help the day before to move the equipment to the Parish Center. Attendance at Mass has been from 85 to 110 parishioners for planning purposes.

Following are the suggested menu items along with the person who has agreed to be responsible for exploring prices.

Sausage - Linda will check on prices with Farm Museum staff; Pat will check with Martin Brothers

Eggs – Cecilia will talk to Joan to see if she is still willing to make eggs (Carla has agreed to help)

Fruit – Carla will check on prices

Drinks – Linda will check on prices

Decorations – Pat will check with Joan to discuss ideas

There is \$600 in the Stewardship budget. Members were asked to get their figures to Pat by July 15 so a total budget can be prepared. The Finance Council and Pastoral Council will be asked to help serve the meal.

Pat will send an email to the those on the parishioner email list.

Cecilia will submit items to Mary for the August Stewardship Spotlight.

There are several old TTT surveys from 2012 on. The group decided there was no reason to keep those. The information gleaned so far from the current surveys will be given to the individuals in charge of scheduling since the next schedules are due by mid-August for publishing. Pat will put a notice in the bulletin for parishioners to turn in their surveys if they have not done so yet.

No date was set for the next meeting.
