Dear Fr. Kevin & the Congregations of Iowa Falls, Eldora, Ackley & Hampton:

On behalf of the executive board of CraftChangeHaiti, Inc., and the seamstresses, I am writing to thank you all for your most generosity. Your donation not only helps us to fund our Haitian programs but more importantly builds a relationship with you and Haiti in a most special way. Through our collaboration, you are contributing to improving the lives of women who are in need of fair employment that brings a positive future.

You have already shown your support and generosity by purchasing our handcrafted products through your churches that have given us such confidence and encouragement. We hope that you have had an opportunity to see some of the videos and photos on Facebook of the work that they are doing.

Our mission is to provide our seamstresses with opportunity and access to meaningful employment. They come together with great pride to create quality handcrafted products that showcase their skills. A vast majority have been sewing since they were little girls but had no opportunity to continue their formal training or academic education. Some did not possess any skills, but we have given them the necessary training and skills.

Most importantly, we know that when women are successful the community at-large improves, thrives, and the national economy of the country grows while becoming more sustainable. When women succeed, the overall society improves, and generational ills can be eradicated.

We assure you that your contribution will go towards our fundraising goal of \$20,000 to purchase a piece of land that will become the permanent home of CraftChangeHaiti, Inc. Having our own building will enable us to grow, train and create a more sustainable and viable future for Haitian women in the northeast.

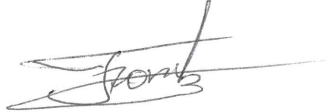

Once again, we thank you for all that you have already done for the CCH family. We are so grateful for your contribution to our work in Haiti. We ask for your continued prayers and know that we are praying for you.

“Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.” Matthew 25: 40.

Peace and God Bless You All!
